**SPEAKER
RONALD KRUEGER, MD**

**THURSDAY
MAY 12, 2011**

This UOS dinner program
is being held in conjunction
with the
Moran Eye Center Resident's Day

Ronald Krueger, MD

Ronald R. Krueger, MD, is the Medical Director of the Department of Refractive Surgery at The Cleveland Clinic Cole Eye Institute. He completed fellowship training in cornea and refractive surgery at the University of Oklahoma and the University of Southern California. Dr. Krueger was the co-editor of the first book on Customized Wavefront LASIK, entitled *Customized Cornea Ablation*. He is the founding organizer of the first world conference on Customized LASIK. He has also published numerous scientific articles and book chapters. Before joining the Cole Eye Institute in 1998 to become medical director of the Department of Refractive Surgery, he was an associate professor of ophthalmology at St. Louis University Eye Institute.

Speaker Topic

*"Femtosecond Lasers:
The New Scalpel in Eye Surgery"*

The Utah Ophthalmology Society is accredited by the Utah Medical Association to sponsor continuing medical education for physicians. The UOS designates this live educational activity for a maximum of one (1.25) hour in Category 1 credit towards the AMA Physicians Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity. The UOS fully complies with the legal requirements of the Americans with Disabilities Act and regulations. If any participant is in need of accommodations please call or write UOS at least 1 week in advance in order to receive service.
